Benincasa, a two-bed home for the terminally ill, is an outreach ministry of St. Catherine of Siena Church in Mendon, in cooperation with Mendon Presbyterian Church and St. Mark Lutheran Church. The home is a place to live life's final days with dignity, comfort and self worth.

Benincasa's doors opened on October 23, 1996, and since then it has provided bereavement counseling and community outreach services to over 1500 people in the greater Rochester area and beyond. Men and women with varied illnesses from many denominations and inter-religious faiths have been cared for. During this time the resident's family members and friends also receive support, counseling and overnight hospitality.

Residents must be determined to be within the last three months of life, and the staff must be capable of meeting their specific needs. Professionals have been recruited to coordinate the many volunteers needed to operate Benincasa.

Benincasa is a non-profit home with no means of income. Sources of support for this project depend solely on donations, grants and fundraising activities. Therefore any donation of money, volunteer time or support services is welcome and much appreciated.
